BADGER GIRL'S PETITE STAKES.

Secretary Nathanson presented a good card yesterday at Harlem for an off-day's attractions, and this coupled with the welcome change in the weather drew out an unusually large Monday crowd. The track was as its best and fast time was made in the various races.

The feature attraction was the Petite Stakes, a four and a half furlongs dash for two-year-old fillies, with \$1,500 added. Of the ten youngsters originally carded to start five were withdrawn, but the adding of Badger Girl at the last minute sent a field of six to the post. The winner turned up in the added starter, which ran an excellent race and proved herself a promising filly. To a good start Determination, closely followed by Handsome Florry, showed the way until well straightened out for home, where Badger Girl moved up rapidly and overhauling Determination when opposite to the last eighth post, easily passed into the lead winning going away by two and a half lengths. Determination was easily best of the others finishing two and a half lengths before Memories for second place. The latter ran well, but faltered when a sixteenth from home. Handsome Florry was thoroughly beaten just before turning into the homestretch. Maggie Leeber showed a little early speed only. Nellie Cromwell was crowded against the inside rail when running near the last eighth post, but it was hardly enough to change the result as she was tired at the time. The stake was worth \$2,270 to the winner.

The steeplechase over the short course resulted in a big surprise, Golden Link winning at odds of 50 to 1. Mrs. Grannan showed the way up to the ninth jump, where Duke of York took command and appeared to have the race well in hand when turning into the stretch, but here Golden Link closed up fast on him and outstayed him to the wire, winning in a driving finish by a half length. Duke of York beat Mrs. Grannan one and a half lengths for second place. The latter tired fast in the stretch run. Ceylon ran a dull race and appeared a little stiff when going to the post. Somersault ran out at the fifth jump.

In the first race at five furlongs for maidens two-year-olds, four of the field finished so close together that none but the judges were able to separate them. Foresight won by a head from Freckman, which finished the same distance in front of Requirer on which George R. Harrison was lapped. Preakness led by a fair margin until just after turning for home, where he began to tire, Freckman assuming command. In the last sixteenth Foresight moved up fast and outstayed Freckman to the wire. Requirer made up ground fast in the last quarter and was wearing down the two that finished in front of him. George R. Harrison ran an impressive race and bears watching from now on. Bill Walters stumbled in the first quarter and fell, Ed Guinzburg falling over him.

An unwieldy field of fourteen faced the barrier in the second race, a dash of six furlongs. Martinmas, on the strength of a very fast workout, was well backed, opening at 10 to 1 and receding to 5 to 1 by post time. He rewarded the confidence placed in him by a "wise few" winning easily by one length from Floral Wreath, which beat Marlin the same distance for second place. Floral Wreath ran in close company to him until in the final sixteenth, where she tired perceptibly. Bay Wonder showed some early speed. Sarah Maxim met with early inter-

ference and had little chance after the first quarter had been run.

Hargis is certainly a good horse just now. He had little trouble in annexing the purse of the fifth race, a dash of one and one-sixteenth miles for three-year-olds and upward, to his owner's credit. Thane led on sufferance to the final eighth, where Reiff called on Hargis and he easily went to the front winning by a half length from Glassfull, which finished two and a half before Thane for second place. The last named tired perceptibly when the pinch came, after showing much speed. Hoodwink finished going fast and would have been third in another stride or two. Huzzah seemed to be anchored by his weight and was never a serious contender.

The last race, a mile for three-year-olds and upward, went to Alice Dougherty. Alfred C. led to the head of the stretch, where he retired, giving way to Annie Thompson. The latter appeared to be winning easily when a sixteenth from home, but her rider carelessly allowed Alice Dougherty to get up in time to nip him on the post by a nose. Omdurman finished third, three lengths back.

LOCAL TURF GOSSIP.

Before racing commenced yesterday at Harlem Park and during the afternoon Secretary Nathanson interviewed all owners who had informed him Saturday of their intention of running a three-year-old in the Special tomorrow. Also he sent four telegrams to St. Louis. The result of his investigations were that he found himself sure of a good field of eight colts of class, with fair chances of having three more equally as good.

Savable, Bernays, Judge Himes, Gregor K., Linguist, Au Revor, Gilfain and Manru are the ones that will start sure if the track remains good. Fore and Aft is due to arrive today, and if he journeys well he is a probable starter. So are Claude and Monsieur Beaucaire, winner and second in the St. Louis Derby, if they are not detained by the floods. Epicure would have been a sure starter, but he is temporarily lame from stepping on a small stone.

Lyman Davis, assistant secretary of the Worth Jockey Club, will have charge of the running meeting to be given at Indianapolis next month. The promoters of the meeting, which will be held at the state fair grounds at the northern boundary of the city, have been negotiating for the services of Davis for some time, but it was only within the last week that the management of the Worth track consented to the deal, the assistant secretary being in charge of the improvements now under way at Worth. The Indianapolis meeting will open July 4 and close July 11. The purse offerings will range from \$200 to \$500. A number of owners, with horses of the class which find it difficult to win at Washington Park, will ship their animals to Indianapolis, and it is expected that a meeting will result which will be even better than the successful one of last season.

Judge Hamilton announced after the victory of Golden Link in the steeplechase, that he had indefinitely suspended jockey Egger for his alleged questionable ride on Golden Link the last time out, and also suspended I. Morehouse, owner of Duke of York, which finished second; I. Dennison, his trainer, and J. Murphy, who rode Duke of York the last time out, and all the horses belonging to the Morehouse stable.

Time, 12³, 24³, 50³, 1:12³. Winner—Ch. c, by Halma—Token (trained by W. C. Daly). Went to post at 2:30. At post 2 minutes. Start straggling. Locket got away in his stride and at once raced into a long and winning lead with the field badly strung out and every one driving behind him. Daisy Green practically forced the pace for the remainder of the field and stood a long stretch drive gamely. Rostand, away poorly, steadily improved his position and was going well at the end. Eva Russell ran a comparatively dull race, failed to improve her position early and could not come on at the end. Ben Howard was prominent to the stretch. Oclawaha closed a gap from a bad start. Brixton had no chance at the start and was early deluged with mud. Scratched—39643 Toscan, 102; 39596 Scoffer, 102; 39570 Interval, 104; 39451 Paul Clifford, 103; 39570 Courtmaid, 98; 39667 Osgood, 92. Time, 12³, 24³, 49³, 1:17³, 1:43³, 1:50. Winner—B. c, by Star Ruby—Afric Queen (trained by R. Miller). Went to post at 3:00. At post 1 minute. Start good. Won easily; second the same. Africander drew to the front on the first turn and led his field by a comfortable margin to the finish, always had a lot in hand and showed a great performance in the going. Duke of Kendal showed superior form today and closed up steadily from the far turn, going very fast at the end. Colonsay followed the winner closely and easily for the first seven furlongs, but at the end was tiring and swerved badly. Akela fell out of contention early and probably sulked. Invincible went a good six furlongs and ran like a non-stayer. Scratched—39147 Brigand, 115; 39670 Injunction, 114; 39205 Dr. Saylor, 100; 39450 Elliott, 99. Africander, show, 1 to 8. Time, 12³, 24³, 49³, 1:12³. Winner—B. c, by Troubadour—Felipa (trained by E. L. Graves). Went to post at 3:25. At post 2 minutes. Start bad. Won easily; second driving. W. R. Condon drew out at the start and went away from the others fast on the far turn and held his own without trouble in the stretch. He ran a much improved race today, and has always shown particular preference for this kind of going. Minotaur, which had at the beginning forced the winner along, suddenly fell away on the turn and then came again at the end. Toscan was decisively outrun and became discouraged in consequence. He is very fast, but fainthearted and mud has been thought to be his forte. Forward kept a forward position throughout and at the end was going well on his own courage. Captivator found the pace too fast. John A. Scott was held at the post and got away badly and, being next to the rail, was hopelessly pocketed and was pulled up in the stretch. Scratched—39718 Duke of Kendal, 111; 39692 Ingold, 108; 39416 Cinquevalli, 106; 39667 Osgood, 96. Overweights—Captivator, 2 pounds; Forward, 1. W. R. Condon, show, 4 to 5. Minotaur, show, 7 to 10. LOCAL TURF GOSSIP.

(Continued from first page.)

The Washington Park Club will have men at the Hawthorne and Harlem tracks next Friday to take entries for the opening day. Entries can be made at Hawthorne until 10 a. m. and at Harlem until 10:30.

Ed Guinzburg and Bill Walters, ridden by jockeys Tadlock and Majors in the opening race, fell while rounding the first turn. The mishap was caused by Ed Guinzburg stumbling, Majors on Bill Walters could not avoid the prostrate horse and fell over him. The riders and horses escaped injury.

Martinmas, the winner of the second race, was bid up from \$800, his entered price, to \$1,500 by W. S. Price and bid in by his owner with an advance of \$5.

Gorman & Bauer's string of horses including Bardolph, Sinner Simon, Mary Glenn, Lady Infalible and several two-year-olds will arrive at Washington Park today from Latonia.

It was reported yesterday that E. E. Smathres' good youngster Dick Bernard was ailing and is considered in a serious state, his temperature during the afternoon registering 104.

J. B. Gray, familiarly known to racegoers as "Uncle Jim," who trains for C. B. Campbell, was taken ill with fainting spells while in the paddock, preparatory to sending Maggie Leeber to the post in the stake race.

Judge Himes worked a mile and a quarter at Hawthorne yesterday morning in 2:13. The Ellison colt showed up finely and he is regarded as a certain starter next Saturday. His time for the last mile of the mile and a quarter route was 1:45 1/2.

Three of the Corrigan Derby candidates were also out for morning work at Hawthorne yesterday. Ravel, Maxie Blumenthal and McGowan went a mile together. McGowan finished in front a half length ahead of Maxie Blumenthal in 1:46 1/2. Ravel, whipped out, was a length further back. The work of the last named was regarded as unnaturally bad for him.

Banter, C. E. Mahone's Derby possibility, was also out. The gelding only galloped a couple of miles slowly.

High Chancellor, the second string to John A. Drake's Derby bow, was worked a mile in 1:50.

At Washington Park none of the Derby eligibles did any hard work. Flocarlina, Bad News and Gold Bell were out early in the morning for slow gallops. The last named went seven furlongs.

Claude from St. Louis and Fore and Aft from Detroit are expected at the South Side track in a day or two. No definite word concerning the time of their arrival has yet reached the club, but they are expected almost any day.

Irish Lad will probably not reach Washington Park until Thursday evening. By that time most of the horses which will start in the big race Saturday will be safely stabled at the track.

At present it seems that the largest field in the history of the Derby will go to the post for the third race Saturday. If it should rain and the track be heavy the field may be even larger. A lot of owners would start their horses on a heavy track who otherwise would not send them to the post.

Yesterday the new telephone system was completed at Harlem Park, which now boasts the most complete system of any race track in the world. One of the most important features is the connection of all starting stands with the judges' stand, which enables the starter to immediately inform the judges of any intentional fouling, cutting across, or other dirty work when the horses leave the post. Another good feature is the patrol judges' ability to communicate to the judges in the stand any information they have before the result of a race is made official.

This telephone system at Harlem Park includes the judges' stand, the secretary's office and paddock judge, the patrol judges' stand, superintendent's office, the Harlem Jockey Club's barn, the business office, all entrances to the park and all starters' stands around the track. The system can be extended to any part of the track, and before racing is resumed in August it is quite likely owners of big stables will avail themselves of the opportunity to have telephones in their barns.

Went to post at 4:05. At post 3 minutes. Start good. Won driving; second handily. Golden Link moved up fast when turning into the stretch and, in a spirited finish, outstayed Duke of York. The latter showed big improvement over his last race and ran to his best form. Mrs. Grannan fenced clearly and showed much speed, but tired when the deciding drive came. Helen Paxton tired after taking the last jump. Ceylon appeared a little stiff when going to the post. Hand Vice had to be whipped for the entire route to retain a contending position.

end closed up gamely in spite of swerving over into the deep going. Julia M. showed the most early speed and appeared like having a winning lead when straightened for home, but tired in the last few strides. Dusky ran green and fell out of it early, then moved up like a flash on the turn, but again fell away at the end. Trossachs disliked the going and may reverse this running on a good track. Heatherdown ran up on the leaders in the first quarter and was cut down and pulling up in the last quarter.
 Scratched—Audience, 114.

 Went to post at 4:25. At post 1 minute. Start bad. Won handily; second driving. Silurian beat the barrier and forced the pace throughout, outstaying Lord Advocate at the end. The latter raced head and head with the winner from the start and ran in remarkably improved form. Carroll D. was reserved to the stretch, where he moved up fast. St. Sever was held at the post and was nearly left, but was badly ridden afterward and quit in the last quarter, running a bad race. Graden is a non-stayer, but was well up for six furlongs.

 Winner—Ch. c, by Mithrulf—Bassinette (trained by G. Cox).
 Went to post at 4:50. At post 2 minutes. Start good. Won handily; second easily. Baseful, an improving colt and a particularly fine performer in the mud, under McCue's vigorous ride, raced into a long and winning lead on the far turn and, although tiring at the end, gamely stood off Toledo's strong bid. The latter got away slowly and raced on the extreme outside, then swerved into the rails in the stretch and was compelled to pull out and come on the outside, had little chance with the glaringly incompetent ride and was best. Revelle got away badly and was pocketed and ran a game race. Excentral worked hard to keep in front and was shut off on the turn and eased up at the end. Celebrant ran a bad race and was always outrun.
